Happy and Sad

Happy!
This is what it sounds like when you’re…

VERSE
Sad in the morning when you’re feeling kinda blue.
You don’t feel happy and you don’t know what to do.
You might feel like crying but you don’t have a tissue.
Please don’t worry all you have to do is…

CHORUS
Turn that frown upside down.
Turn that pout inside out.
And sing this song nice and loud
to turn it all around.

We are happy every day.
We are happy in every way.
Let’s be happy!
Happy and wash those blue away.

VERSE
Happy like the sun shining bright up in the sky.
Floating like a feather and you’re feeling just fine.
You might feel like dancing or laughing all the time.
When you’re happy it’s the greatest feeling in your life so…

CHORUS
Sad - Happy!
Sad - Happy!
Sad - Happy!
Sad - Happy!
